Importance: High

Dear Dr. Heffelfinger,

The purpose of this email is to provide notification that the project titled "Web-Based HIV Behavioral Surveillance" is covered under CDC 308(d)Assurance of Confidentiality Control# 2008-NCHHSTP-036 titled "Assurance of Confidentiality for Surveillance of Acquired Immunodeficiency Syndrome (AIDS) and Infection with Human Immunodeficiency Virus (HIV) and Surveillance-related Data (Including Surveillance Information, Case Investigations, and Supplemental Surveillance Projects, Research Activities, and Evaluations).

I have reviewed the protocol for this study and agree that this project falls in the category of Supplemental Surveillance Activities, HIV Behavioral Surveillance because these individuals would be at high risk for HIV infection.

Regards,
Cheryl
