

HARVARD
School of Public Health

Health Study for Children with Asthma

1. DO YOU HAVE A CHILD AGE 7 – 12?
2. DOES THIS CHILD HAVE ASTHMA?
3. DOES YOUR CHILD LIVE IN BOSTON?

IF THE ANSWERS TO ALL 3 QUESTIONS ARE “YES,”
THE GREEN HOUSING STUDY
AT HARVARD UNIVERSITY
INVITES YOU TO:

Contact the study team at HARVARD UNIVERSITY:
By phone: [\(617\) 384-8854](tel:6173848854)

RECEIVE \$50 per HOME VISIT
(total of 3-4 visits over 1 year, up to \$200)

Participants will also receive:

- A FREE test of the air and dust in your home
- A FREE allergy test for your child

The study will try to find out how indoor air in the home affects children with asthma.

Only one (1) child per home is eligible!
