Does your preschooler have special needs?

SEED

Study to Explore Early Development

You may be able to join this research study!

- Find out more about your individual child's progress
- Be a part of this national study of children's development

Families are compensated for their time.

- **Is your biological child age 2 to 5?** (and born between Jan. 1, 2008 and Dec. 31, 2011)
- **Does he or she have autism OR another type of special need?**
- **Was the child born in and still live in one of these areas:**
  Baltimore City, Anne Arundel, Baltimore, Carroll, Cecil, Harford, Howard, Montgomery or Prince George's counties?

If you answered yes to all 3 questions, call 1-877-868-8014 or email CADDE@jhsph.edu
