No

GO TO THANK2

GO TO 27

27. What are some reasons you think the *Amazing Me* book did not promote discussion among parents and doctors/nurses about their children's development and various milestones?

---

GO TO THANK2

THANK1: We will follow-up with you again in about 6 weeks to ask a few more questions about the books you have distributed and the ones you have remaining. Completing this survey has entered your clinic in a drawing for 50 popular board books. The drawing will be done at the close of the survey. If your clinic wins the drawing, you will be contacted via email.

THANK2: The time you've spent both distributing the books in your office and completing this survey has been very important to this research effort. Your responses will be very helpful to future efforts to distribute *Amazing Me-It's Busy Being 3!* Completing this survey has entered your clinic in a drawing for 50 popular board books. The drawing will be done at the close of the survey. If your clinic wins the drawing, you will be contacted via email.

THANK3: We are sorry to learn that your clinic did not receive the 300 free copies of *Amazing Me-It's Busy Being 3!* that it was intended. If you would still like to receive these books, please contact Katie Green at [KKGreen@cdc.gov](mailto:KKGreen@cdc.gov) and include the appropriate shipping address.

[ALL: THANK4]: Thank you for your time. Have a nice day.
