The History of Medicine Division of the National Library of Medicine is planning a major update of its IndexCat database, the online version of the Index-Catalogue of the Library of the Surgeon-General's Office. (<http://www.nlm.nih.gov/hmd/aboutic.html>)

We invite you to take part in a brief survey so we may better understand your current use of IndexCat and what new features you would wish this resource to offer in the future.

This survey has been approved by the National Library of Medicine's Survey Review process and responses will be anonymous.

This survey will remain open until September 30, 2012. Thank you for your participation.
