

1.

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

The Specialized Information Services Division of the National Library of Medicine invites you to take part in a brief survey so we may better understand your current use of the NLM HIV/AIDS portal (<http://sis.nlm.nih.gov/hiv/index.php>) and what can be done to improve the site. This survey has been approved by the National Library of Medicine's Survey Review process and responses will be anonymous.

This survey will remain open until December 31, 2014. Thank you for your participation.
