## ***Noisy Planet* Mall Interviews Parent/Guardian Participant Recruitment Screener**

### **Targeted Number of Mall Interviews by Location and Race/Ethnicity**

#### **Background**

*[The following is a guideline for the script that the interviewer will follow to capture an adolescent's interest. It is not restricted to background information.]*

We want your opinion. On behalf of the National Institutes of Health, a Federal agency, we are conducting brief interviews with parents/guardians of adolescents to get their reactions to health education materials on hearing protection. The interviews will last 20 minutes. We are not selling or promoting any product or service. The responses will be kept secure to the extent permitted by law. We only need a first name. In the final report, your name will never be connected to any comment you made. There is no right or wrong answer.

To see if you qualify to participate in the interview, we need to ask you a few questions first. These questions will take less than 5 minutes. Do you have a couple minutes to see if you qualify?
