NIH NIH Grant Process Feedback Survey

Testing Purposes Welcome Dan Eckstein [logout](#)

Public reporting burden for this collection of information is estimated to average 5 minutes per response. This time includes the length of time allotted for the survey questions. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648).

Last year, about how many professional presentations did you give? Think about all national, regional, local conferences, annual meetings, symposiums, workshops, or seminars that you attended last year at which **you were a presenter**.

- None
- 1 to 3
- 4 to 6
- 7 or more

« PREVIOUS

NEXT »

Did any of the professional presentations at which you were a presenter last year involve studies or findings based on research funded by NIH?

- Yes
- No

« PREVIOUS

NEXT »

For those presentations based on NIH-funded research, how often did you cite or mention NIH as a source of support?

- Always
- Most all the time
- About half the time
- Rarely

« PREVIOUS

NEXT »

What could NIH do to help you cite or mention NIH as a source of support when your presentations are based on NIH-funded research?

Demographics

In order to compare demographic data across all anonymous respondents, we need to collect these data in the format by OMB and the Census Bureau. The following questions reflect those required categories.

How old are you?

Years

Do not wish to answer

What is your gender?

- Male
- Female

Do not wish to answer

« PREVIOUS

NEXT »

Demographics

Do you consider yourself Hispanic/Latino?

- Hispanic or Latino
- Not Hispanic or Latino
- Do not wish to answer

What is your race? *Check all that apply.*

- American Indian or Alaska Native
- Asian
- Black or African American
- Native Hawaiian or Other Pacific Islander
- White
- Do not wish to answer

**** This is the final question of the survey. You will NOT be able to return after completing the survey. ****
