CADMIUM

**INDIVIDUAL COMPANY
DATA - PROPRIETARY**

The data furnished in this report will be treated in confidence by the Department of the Interior, except that they may be disclosed to Federal defense agencies, or to the Congress upon official request for appropriate purposes. Unless objection is made in writing to the USGS, the information furnished in this report may be disclosed to the respondent's State Geological Survey (or similar State Agency) if the State has appropriate safeguards to prevent disclosing company proprietary data.

(Please correct if name or address has changed.)

**FACSIMILE NUMBER
1-800-543-0661**

Public reporting burden for this voluntary collection of information is estimated to average 30 MINUTES per response. A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. Comments regarding this collection of information should be directed to: U.S. Geological Survey, Statistics and Information Systems Section, 988 National Center, Reston, VA 20192. **Please do not mail canvass forms to this address.**

GENERAL INSTRUCTIONS

Collection of nonfuel minerals information is authorized by Public Law 96-479 and the Defense Production Act. This information is used to support executive policy decisions pertaining to emergency preparedness, national defense, and analyses for minerals legislation and industrial trends. The USGS relies on your voluntary and timely response to assure that its information is complete and accurate.

Please return this form in the enclosed envelope or fax to the above toll-free number **BY THE 15TH OF THE MONTH** following the reporting period. Complete a separate form for each establishment. Additional forms are available upon request. If you do not have exact data, please enter your best estimates and mark with an /e. Use zero (0) when appropriate. Do not report decimals or fractions. Round to the nearest whole number. If you have nothing to report, please sign and return the form. Please do not make entries in shaded areas. Please use the space for "Remarks" to provide any specific information that will help us in the use or interpretation of the data. Any statement on the effect of changes in economic conditions upon the reporting establishment will be useful. Additional forms are available upon request.

If you have any questions concerning completion of this form, please contact the Mineral Commodities Data Unit, U.S. Geological Survey, 985 National Center, Reston, VA 20192, Telephone (703) 648-7960.

SPECIFIC INSTRUCTIONS

Stocks, receipts, and disposition of cadmium metal and compounds.

- Columns 1.** **Type of material.** Secondary cadmium (Code 202) is cadmium metal in commercial shapes (balls, sticks, slabs, or ingots) produced from scrap or reject material.
- Columns 2&3.** Report all quantities on this form in contained weight and in pounds.
- Column 4.** **Physical inventory adjustment only.** Report adjustments necessary to correct ending inventory shown for the preceding report period. If adjustment is significant, explain under Remarks. Show negative figures in parentheses.
- Column 5.** **Beginning stocks.** Report all cadmium metals and compounds (COLUMN 1) on hand at this establishment at the beginning of the report period, regardless of ownership. Entries in COLUMN 5 plus or minus inventory adjustments (COLUMN 4) should equal ending stocks (COLUMN 12) of the preceding report.
- Column 6.** **Receipts.** Report cadmium metal and compounds (COLUMN 1) received during the report period.
- Column 7&8.** **Production.**
- Column 7.** **Quantity.** Report the quantity of cadmium metals and compounds (COLUMN 1) produced in the reporting establishment during the report period. Secondary readers who act as dealers or distributors should not include under production metal purchased from domestic producers or imported metal which was remelted, purified, and cast into special plater shapes for resale. These figures should appear under Receipts (COLUMN 6) and Shipments (COLUMN 10)
- Column 8.** **Percent cadmium in material.** Report the cadmium content of the materials produced in percent of gross weight.
- Column 9.** **Consumption.** Report the quantity of cadmium metal and compounds (COLUMN 1) used to make other products in the reporting establishment during the report period.
- Columns 10&11.** **Shipments.**
- Column 10.** **Quantity.** Enter the quantity of cadmium metal and compounds (COLUMN 1) shipped without change during the reporting period.
- Column 11.** **Value.** Report the net selling value, f.o.b. your establishment, for the quantities in COLUMN 10. Report the total net value received, after discounts and allowances and excluding container cost, where applicable. If you ship material to another establishment in your company, please estimate the value for this material. Use your net selling price as a basis for this estimate.
- Column 12.** **Ending stocks.** Report all cadmium metal and compounds (COLUMN 1) on hand at this establishment at the end of the report period, regardless of ownership. For each line, the entry in COLUMN 12 should equal COLUMN 5 plus COLUMN 6 plus COLUMN 7 minus COLUMN 9 minus COLUMN 10 (COLUMNS 5 + 6 + 7 - 9 - 10 = 12).
