

BURDEN COMPUTATION - Form 8822

December 12,
2011

Old Burden.....258,334
TPR.....258334 = 16 minutes
TPE.....010417
Responses.....845,000

New estimated annual burden... **218,292** hours.

No change in burden time, however the estimated number of responses will change as a result of the creation of the new Form 8822-B.

We are using the old methodology since the Arthur D Little method makes the overall burden unrealistic.
