

## **Narrative of Changes**

*The purpose of the Narrative of Changes is to clearly indicate revisions to a collection since the previous approval*

Collection Title: Ports and Waterways Safety -- Title 33 CFR Subchapter P

OMB Control No.: 1625-0043

Current Expiration Date: 12/31/2011

Collection Instruments: Instructions

The change in burden hours is an ADJUSTMENT. There is no proposed change to the reporting requirements of this collection. The reporting requirements, and the methodology for calculating burden, remain unchanged.

The following listed below are changes to the collection:

- Decrease in burden (respondents/responses/burden hours) is due to a change in the estimated number of annual deviation requests.
- Updates are provided for cost burden associated with this collection of information.
- USCG has created printable instructions for this collection of information.
