No authorization of any sale (or any extension thereof) under paragraph (1) may be for a period exceeding two years.

Any authorization of any sale under paragraph (1), and any extension of any such authorization under this subparagraph, may be extended by the Commission if such extension satisfies the requirements of this subsection.

**(4) Adequacy of service to intrastate customers**

Any sale authorized under paragraph (1) shall be subject to interruption to the extent that natural gas subject to such sale is required to enable the intrastate pipeline involved to provide adequate service to such pipeline's customers at the time of such sale.

**(5) Procedural requirements**

**(A) Affidavit**

Any application for authorization of any sale under paragraph (1) shall be accompanied by an affidavit filed by the intrastate pipeline involved and setting forth—

- (i) the identity of the interstate pipeline or local distribution company involved;
- (ii) each point of delivery of the natural gas from the intrastate pipeline;
- (iii) the estimated total and daily volumes of natural gas subject to such sale;
- (iv) the price or prices of such volumes; and
- (v) such other information as the Commission may, by rule, require.

**(B) Verification of compliance**

Any application for authorization of any sale under paragraph (1) shall be accompanied by a statement by the intrastate pipeline involved verifying by oath or affirmation that such sale, if authorized, would comply with all requirements applicable to such sale under this subsection and all terms and conditions established, by rule or order, by the Commission and applicable to such sale.

**(6) Termination of sales**

**(A) Hearing**

Upon complaint of any interested person, or upon the Commission's own motion, the Commission shall, after affording an opportunity for oral presentation of views and arguments, terminate any sale authorized under paragraph (1) if the Commission determines—

- (i) such termination is required to enable the intrastate pipeline involved to provide adequate service to the customers of such pipeline at the time of such sale;
- (ii) such sale involves the sale of natural gas acquired by the intrastate pipeline involved solely or primarily for the purpose of resale of such natural gas pursuant to a sale authorized under paragraph (1);

(iii) such sale violates any requirement of this subsection or any term or condition established, by rule or order, by the Commission and applicable to such sale; or

(iv) such sale circumvents or violates any provision of this chapter.

**(B) Suspension pending hearing**

Prior to any hearing or determination required under subparagraph (A), upon complaint of any interested person or upon the Commission's own motion, the Commission may suspend any sale authorized under paragraph (1) if the Commission finds that it is likely that the determinations described in subparagraph (A) will be made following the hearing required under subparagraph (A).

**(C) Determination**

The determination of whether any interruption of any sale authorized under paragraph (1) is required under subparagraph (A)(i) shall be made by the Commission without regard to the character of the use of natural gas by any customer of the intrastate pipeline involved.

**(D) State intervention**

Any interested State may intervene as a matter of right in any proceeding before the Commission relating to any determination under this section.

**(7) Disapproval of application**

The Commission shall disapprove any application for authorization of any sale under paragraph (1) if the Commission determines—

(A) such sale would impair the ability of the intrastate pipeline involved to provide adequate service to its customers at the time of such sale (without regard to the character of the use of natural gas by such customer);

(B) such sale would involve the sale of natural gas acquired by the intrastate pipeline involved solely or primarily for the purpose of resale of such natural gas pursuant to a sale authorized under paragraph (1);

(C) such sale would violate any requirement of this subsection or any term or condition established, by rule or order, by the Commission and applicable to such sale; or

(D) such sale would circumvent or violate any provision of this chapter.

**(c) Terms and conditions**

Any authorization granted under this section shall be under such terms and conditions as the Commission may prescribe.
