U.S. Department of Energy

OMB Burden Disclosure Statement

This data is being collected pursuant to the Technology Transfer Commercialization Act of 2000, Pub. L. 106-404, codified at 42 U.S.C. 7261c (c) 3 (C). The data supplied will ensure that the Technology Partnership Ombudsmen are hearing and helping resolve complaints from outside organizations regarding the policies and actions of the national laboratory or facility with respect to technology partnerships.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Records Management Division, IM-23, Paperwork Reduction Project (1910-5118), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-5118), Washington, DC 20503.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number.

Submission of this data is required pursuant to the Technology Transfer Commercialization Act.
