Title: Rules Relating to Regulation of Domestic Exchange Traded Options (OMB Control No. 3038-0007). This is a request for extension of a currently approved information collection.

^[1] See 17 CFR 145.9.

Abstract: The rules require futures commission merchants and introducing brokers: (1) to provide their customers with standard risk disclosure statements concerning the risk of trading commodity interests; and (2) to retain all promotional material and the source of authority for information contained therein. The purpose of these rules is to ensure that customers are advised of the risks of trading commodity interests and to avoid fraud and misrepresentation. This information collection contains the recordkeeping and reporting requirements needed to ensure regulatory compliance with Commission rules relating to this issue.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the CFTC's regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981).
