Foreign Animal Disease Diagnostician (FADD) Training

Item Summary

Classroom APHIS-VS-1002

Revision: 0 - 7/12/2006 12:00 AM America/New York

Description: Aglearn registration and nomination need to be completed by January 4, 2011, for the April 4-15, 2011, course and February 6, 2011, for the June 6-17, 2011, FADD course. Supervisor approval in Aglearn does not mean you are automatically enrolled. Attendees will be selected by Regional Directors.

Request Schedule

Add to To-Do List

This intensive two week course trains field VMO's to be certified as foreign animal disease diagnosticians to investigate potential foreign or emerging animal diseases. Global impacts and trade considerations will also be addressed.

This course requires approval for registration. Please review the Professional Development Staff (PDS) FY2011 Training Catalog (Pages 1-2) for nomination instructions using AgLearn at the following URL: http://www.aphis.usda.gov/animal_health/prof_development/
