# Appendix E7 Newly Participating Store Survey

OMB Control No: 0584-xxxx Expiration Date: xx/xx/20xx

Abt Associates Inc.

\*\*<u>Note to Reviewers</u>: A newly participating store that is also selected for the Participating Independent Store Survey or the Participating Chain Store Survey will only receive <u>one</u> cover letter.

#### [RESPONDENT NAME AND ADDRESS]

[DATE]	
Dear	:

Thank you for being part of the Evaluation of the Healthy Incentives Pilot (HIP). You are one of a few retailers chosen to provide feedback about HIP. By responding to this survey, you are helping us learn how to make HIP better for retailers and Supplemental Nutrition Assistance Program (SNAP)/Food Stamp customers. We are especially interested to learn why you initially did not agree to participate in HIP, but later decided to participate in HIP.

As an incentive, HIP pays back SNAP/Food Stamp customers in Hampden County a portion of their fruit and vegetable purchases in the form of a credit. The Massachusetts Department of Transitional Assistance (DTA) is running HIP, with funding from the Food and Nutrition Service (FNS) of the USDA. We are studying how HIP affects SNAP/Food Stamp customers and the community on behalf of FNS.

There are 2 sections to this survey:

- **Section A: Joining the Healthy Incentives Pilot (HIP)** (estimated to take 5 to 10 minutes) should be completed by all retailers.
- **Section B: About the Local Store** (estimated to take 5 minutes) should NOT be completed if your store was selected for the *Participating Chain Store Survey* or the *Participating Independent Store Survey*. If you represent a chain store, you may need to consult the manager of the selected local store in Hampden County to answer some of the survey questions. The address of this store is provided on the next page.

Please call our toll-free number 1-800-xxx-xxxx if you need help filling out the survey. When you have finished the survey, please return it to us using the pre-paid business reply envelope provided.

Thank you,

Susan Bartlett
Abt Associates Inc.

Public reporting burden for this collection of information is estimated to average 5-10 minutes for Section A, and 5 minutes for Section B per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
