=====

{STR-DT}

There are several large public health insurance programs {with similar names} that are easily confused.

Medicare is a health insurance program for persons 65 years or over and for disabled persons. Other programs, such as {Medicaid/{STATE NAME FOR MEDICAID}} or {STATE CHIP NAME}, are state programs which cover low income families and individuals or children who do not have private health insurance.

SHOW CARD HX-2.

Let me first ask about Medicare. People covered by Medicare usually have a card that looks like this.

At any time since (START DATE), has anyone in the family been covered by Medicare?
