B. I am voluntarily participating in the Medical Expenditure Panel Survey (MEPS), a study of health care use and expenses being conducted by the U.S. Department of Health and Human Services. I authorize and request that you provide the U.S. Department of Health and Human Services and its contractors with the medical and financial information they request about prescriptions filled or refilled for my use during the period January 1, 2008 to December 31, 2009. This authorization form applies to any and all prescribed medicines received by me during this period, including medicines prescribed for the treatment of mental health, alcohol, drug abuse, STD, HIV, or AIDS.

I understand that the Health Insurance Portability and Accountability Act of 1996 (HIPAA)(1) prohibits you from releasing my information without my authorization. This form (or a photocopy of this form) gives you my authorization. I have signed this form voluntarily, with the understanding that my decision to sign or not to sign the form will have no effect on my eligibility for treatment, payment, enrollment, or eligibility for any benefits to which I am entitled.

I understand that the Department of Health and Human Services and its contractors will use this information to supplement the information I have already given for MEPS research on health care use and expenditures. I also understand that once my information is released to the study, it is no longer covered by HIPAA but is covered by the Public Health Service Act(2), which prohibits the release of information that would identify me, my medical providers, or my pharmacies outside the sponsoring agency and its contractors without my permission or that of my medical providers and pharmacies and will be kept confidential to the extent permitted by law.

I authorize the study to use information I have given in the survey to help you identify my records. I also understand that I can revoke this authorization at any time by contacting a study representative in writing or by telephone, but that my revocation will not affect disclosures already made by a provider relying on my authorization. Otherwise, this authorization expires 30 months from the date of signature.
