Does the plan provide Part D home infusion drugs as part of a bundled service as a mandatory supplemental benefit?

Yes
 No

If you select 'Yes' to 'Does the plan provide Part D home infusion drugs as part of a bundled service as a supplemental benefit?', you must indicate these specific medications in a flat file which should be uploaded through the Formulary Submission Module by Friday, June 8, 2012 at 12:00pm EST.

You must also ensure that your benefit includes not only the home infusion drug, but any services and supplies associated with the home infusion drug's administration.

If your organization elects to provide Part D home infusion drugs as part of a supplemental bundled service then those services must be provided at \$0 cost sharing. As described in the CY 2010 Call Letter this waiver is conditioned on the application of zero cost sharing for the bundle of home infusion services provided under a supplemental benefit.

The gap supplemental file should must be uploaded through the Formulary Submission Module by Friday, June 8, 2012 at 12:00pm EST.

Does the plan provide Part D home infusion drugs as part of a bundled service as a supplemental benefit?

Yes
 No

If you select 'Yes' to 'Does the plan provide Part D home infusion drugs as part of a bundled service as a supplemental benefit?', you must indicate these specific medications in a flat file which must be uploaded through the Formulary Submission Module by Friday, June 8, 2012 at 12:00pm EST.

You must also ensure that your benefit includes not only the home infusion drug, but any services and supplies associated with the home infusion drug's administration.

If your organization elects to provide Part D home infusion drugs as part of a bundled service then those services must be provided at \$0 cost sharing. As described in the CY 2010 Call Letter this waiver is conditioned on the application of zero cost sharing for the bundle of home infusion services provided under a supplemental benefit.
