**RSI/DI QUALITY REVIEW CASE ANALYSIS – SAMPLED NUMBER HOLDER**

---

## DESK REVIEW

---

NOTE TO REVIEWER: In opening the interview, explain that this case is one of a small number selected by chance for review and that the purpose of this review is to find out how well the Social Security program is working. Tell them that the review consists of asking questions about their entitlement to Social Security benefits and that we may need to talk to others who have information about their entitlement. If necessary, point out that the Social Security Administration is authorized by law to review from time to time the entitlement of beneficiaries.

This information collection meets the clearance requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. The beneficiary is not required to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 30 minutes to read the instructions, gather the necessary facts, and answer the questions. Send only comments relating to our time estimate above to: SSA, 6401 Security Blvd., Baltimore, MD 21235-6401.
