The information obtained on this form is collected by the Medicaid State agency to administer the Medicaid program (authorized by law (42 U.S.C. 1396e(a)(25)). The collection of this information is disclosed to Federal, State, and Local government agencies responsible for the identification of third party liability resources and collection of that liability. Other routine uses for information obtained are fully explained and published annually in the *Federal Register*. The Social Security Administration will further explain these uses upon request. Your response is required as a condition of Medicaid eligibility. This information will help the Medicaid State agency determine liability of third parties to pay for care and services. Medicaid benefits are not denied based on an applicant/recipient having health insurance or medical coverage.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 5 minutes to read the instructions, gather the facts, and answer the questions. **SEND THE COMPLETED FORM TO YOUR LOCAL SOCIAL SECURITY OFFICE. Privacy Act Statement
Collection and Use of Personal Information

Sections 205(a), 1631(d)(1) and 1631(e)(1) of the Social Security Act (42 U.S.C. § 404), as amended, authorize us to collect this information. We will use the information you provide to assist us in making a decision on your claim.

Furnishing us this information is voluntary. However, failing to provide us with all or part of the information could prevent us from making an accurate decision on your claim.

We rarely use the information you supply for any purpose other than the reason stated above. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs);
3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and,
4. To facilitate statistical research, audit, or investigative activities necessary to assure the integrity and improvement of Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

A complete list of routine uses for this information is available in our System of Records Notices entitled, Master Files of Social Security Number (SSN) Holders and SSN Applications System, 60-0058; Claims Folders Systems, 60-0089; and Master Beneficiary Record, 60-0090.
