

Supplementary Document for 1140-0079

The previous terms of clearance for this collection states that ATF plans to combine it with 1140-0025. However, ATF no longer plans to combine 1140-0079 and 1140-0025. 1140-0079 pertains to regulations at 27 CFR 555.103 in reference to transactions among licensees/permittees and holders of user permits. 1140-0025 pertains to regulations at 27 CFR 555.105 in reference to distribution to non licensees and non permittees, holders of limited permittees, and ATF Form 5400.4. ATF initially thought the user permit section at 27 CFR 555.103(b)(4) and 27 CFR 555.105(b) could be combined, however upon further review, the language in the regulations is seeking different information and cannot be combined.
