

Fast Facts about our Program

Data collected from our survey can help you make better business decisions:

- ◆ Do you want to know competitive pay scales so you can budget company payroll?
- ◆ Do you want to evaluate wage trends and occupations?
- ◆ Do you want to compare wages—between States, metropolitan areas within our State, and from different industries?

We couldn't do it without you!

- ◆ With your help, we are able to provide wage rates and estimated employment data for over 700 occupations in our State.
- ◆ Thanks in advance.

Our form is not as difficult as it looks!

We only need:

- ◆ Job titles (No names or Social Security Numbers)
- ◆ Number of employees in each job title database files
- ◆ Rates of pay

Are you too busy to fill out forms?

- ◆ We are flexible!
- ◆ We can take a text file, computer printouts or
- ◆ Send your data to LMI@ourstate.gov

Labor Market information is published in two ways:

- ◆ From our web site at www.ourstate.gov/laborinfo
- ◆ Hardcopy by calling 1-888-xxx-xxxx to receive an issue of our most recent wage publication.

Need Help?

- ◆ Telephone Jon Q Doe in the State Office of Labor Markets at 1-888-xxx-xxxx. He'll be happy to help you.

☞ Please take a few minutes to review your mailing label.

- ◆ Inform Jon Q Doe at 1-888-xxx-xxxx of any errors.

This is your SCHEDULE NUMBER. It is your unique identifier for this survey.

EMPLOYMENT FIGURE- This number represents our most recent estimate for the number of employees at this location.
