

The image shows a login form for the BARD (Boating Accident Report Database) system. At the top left is the United States Coast Guard logo, featuring an anchor and the text 'UNITED STATES COAST GUARD 1790'. To the right of the logo is the word 'BARD' in large blue letters. Further right is a photograph of a white boat on the water. In the top right corner of the banner, it says 'Boating Accident Report Database'. Below the banner, the word 'Login' is centered in blue. To the right of the login area, there is text: 'OMB Control Number: 1625-0003' and 'OMB Expiration Date: 9/30/2014'. The login form itself consists of three input fields: 'Jurisdiction:', 'Username:', and 'Password:'. Below these fields are two buttons: 'Login' and 'Cancel'.

Privacy Act Notice

Authority: 46 U.S.C 6102 and 33 CFR 173 & 174 authorize the collection of information on boating accidents.

Purpose: The Coast Guard uses this information for statistical purposes, chiefly to inform the public, to measure the Program's efforts, and to regulate issues relating to boating safety.

Routine Uses: The Coast Guard shares this information within the agency, and if state and federal law permit it, to the public.

Disclosure: Some information may not be required to be reported under federal regulation.

Questions relating to the collection of this data should be sent to the Coast Guard.

The Coast Guard estimates that the average burden for each report is about 30 minutes. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commandant (CG-542), U.S. Coast Guard, 2100 St., SW, Washington D.C. 20593-0001 or Office of Management and Budget, Paperwork Reduction Project (1625-0003), Washington, DC 20503.
