

Narrative of Changes

The purpose of the Narrative of Revisions is to clearly indicate revisions to a collection since the previous approval

Collection Title: Aircraft Operator Security Part 1544

OMB Control No.: 1652-0003

Current Expiration Date: 05/31/2010

Collection Instrument(s): AOSSP: Security Program Submission Instructions, Security Program Amendment Instructions, Security Program Recordkeeping Instructions, CHRC Instructions, Security Program Updates Submission Instructions, Request Changes to Security Program Instructions, Recordkeeping for CHRCs Instructions, Recordkeeping and Training, Watchlist Matching; TFSSP/PCSSP: Security Program Amendments Request Instructions, CHRC Instructions, Recording Keeping and Watchlist Matching.

The following listed below are revisions to the collection:

- An instruction sheet was created for the collection instruments that did not require forms; security programs Submission, updates and amendments, reporting and record keeping requirements as well as for CHRCs.
- The burden increase is due to the process of maintaining and updating aircraft operator security plans being recalculated to more accurately reflect the time and effort the respondents are expending in order to comply with the security program requirement. Also, the burden increased is based on the increase of the AOSSP aircraft operator population.
