<p>Other change**</p> <p>Reforms undertaken by States and local educational agencies (LEAs) have outdated many of the activities required by the Elementary and Secondary Education Act, as amended by the No Child Left Behind Act (ESEA). In the absence of ESEA reauthorization in 2011, the Secretary of Education is providing flexibility to States and LEAs to support their important reform efforts. (Associated flexibility PRA activities are approved on an emergency basis under control number 1810-0708). Approval of 1810-0581 ends April 30, 2012. The U.S. Department of Education (ED) requests shifting the hours from 1810-0708 to 1810-0581 so that the flexibility can be considered as part of identifying the information collection activities and burden hours during the renewal process for this collection.</p>
