<p><b>Other change**</b>                  For the "Survey of Customers, Evaluation of the Regional Educational Laboratories", ED is requesting approval for a \$10/ respondent incentive to increase the response rate obtained for this collection, as described in the accompanying memo. Because the change would be budget neutral, the incentives and previously approved strategies to maximize the response rate would reduce the number of respondents and the total hourly burden.</p>
