WIRELINE COMPETITION BUREAU APPROVES COMPLIANCE PLANS WC Docket Nos. 07-21, 07-204, 07-273

By the Chief, Wireline Competition Bureau:

On April 24, 2008, the Commission conditionally granted AT&T's and BellSouth's (collectively, AT&T) petitions for forbearance from section 220(a)(2) of the Communications Act of 1934, as amended, and various rules.¹ The grant was expressly conditioned on, among other things, Wireline Competition Bureau (Bureau) approval of a compliance plan to be filed by AT&T "describing in detail how it will continue to fulfill its statutory and regulatory obligations, including sections 272(e)(3) and 254(k), and the conditions of [the *AT&T Cost Assignment Forbearance Order*]." ² On September 6, 2008, the Commission extended the same relief, subject to the same conditions, to Verizon and Qwest.³ On December 12, 2008, the Commission granted AT&T, Verizon and Qwest forbearance from the obligation to file Automated Reporting Management Information System (ARMIS) Reports 43-01, 43-02, and 43-03, subject to the condition, among others, that the carriers obtain approval of the compliance plans required by the *AT&T Cost Assignment Forbearance Order* and *Verizon/Qwest Cost Assignment Forbearance Order*.⁴ After review of the compliance plans filed by AT&T, Verizon and Qwest, and the record of this proceeding, the Bureau approves the three plans effective immediately. We now find that AT&T, Verizon and Qwest have satisfied the condition that they obtain Bureau approval of compliance plans describing in detail how they will continue to fulfill their statutory and regulatory obligations.
