Section 12 How To Return Your Application

Before you return your application, check to make sure that:

- **Every** question that applies to you has been answered.
- You have entered "unknown" in **any** answer space for which you were unable to answer a question.
- You have signed and dated the application.
- You have included **all** the needed proofs listed in the letter you received with this application.

When you received the child's application, you should also have received a pre-addressed return envelope. If you do not have this envelope, you can use any envelope as long as it is addressed to the RRB office serving your location. No matter which envelope you use, you must put the correct postage on the envelope. Be careful to provide enough postage, because your application and the accompanying forms may weigh more than a standard letter. The U.S. Postal Service will not deliver your application unless it has the correct postage.

Make one final check before you seal the envelope to ensure that the following are enclosed:

- NEEDED PROOFS
- THE APPLICATION FORM ITSELF
- ADDITIONAL FORMS YOU WERE ASKED TO COMPLETE

Note: *After the RRB receives the child's application, a receipt form with information about the claim will be sent to you. When you receive it, you will know that the RRB has received the application and has started the work needed to determine if the child is entitled to benefits. If you do not receive the receipt within two weeks after you have filed this application, please contact us so we can find out what is causing the delay.*
