SUBCHAPTER I - GENERAL PROVISIONS

Sec. 1621. Congressional declaration of purpose; use of existing facilities; cooperation with States

-STATUTE-

The Congress declares that a sound, efficient, and privately operated system for distributing and marketing agricultural products is essential to a prosperous agriculture and is indispensable to the maintenance of full employment and to the welfare, prosperity, and health of the Nation. It is further declared to be the policy of Congress to promote through research, study, experimentation, and through cooperation among Federal and State agencies, farm organizations, and private industry a scientific approach to the problems of marketing, transportation, and distribution of agricultural products similar to the scientific methods which have been utilized so successfully during the past eighty-four years in connection with the production of agricultural products so that such products capable of being produced in

abundance may be marketed in an orderly manner and efficiently distributed. In order to attain these objectives, it is the intent of Congress to provide for (1) continuous research to improve the marketing, handling, storage, processing, transportation, and distribution of agricultural products; (2) cooperation among Federal and State agencies, producers, industry organizations, and others in the development and effectuation of research and marketing programs to improve the distribution processes; (3) an integrated administration of all laws enacted by Congress to aid the distribution of agricultural products through research, market aids and services, and regulatory activities, to the end that marketing methods and facilities may be improved, that distribution costs may be reduced and the price spread between the producer and consumer may be narrowed, that dietary and nutritional standards may be improved, that new and wider markets for American agricultural products may be developed, both in the United States and in other countries, with a view to making it possible for the full production of American farms to be disposed of usefully, economically, profitably, and in an orderly manner. In effectuating the purposes of this chapter, maximum use shall be made of existing research facilities owned or controlled by the Federal Government or by State agricultural experiment stations and of the facilities of the Federal and State extension services. To the maximum extent practicable marketing research work done under this chapter in cooperation with the States shall be done in cooperation with the State agricultural experiment stations; marketing educational and demonstrational work done under this chapter in cooperation with the States shall be done in cooperation with the State agricultural extension service; market information, inspection, regulatory work and other marketing service done under this chapter in cooperation with the State agencies shall be done in cooperation with the State departments of agriculture, and State bureaus and departments of markets.

SPECIALTY CROPS COMPETITIVENESS

Pub. L. 108-465, Secs. 2, 3, title I, Sec. 101, Dec. 21, 2004, 118 Stat. 3882, 3883, as amended by Pub. L. 110-234, title X, Sec. 10109, May 22, 2008, 122 Stat. 1338; Pub. L. 110-246, Sec. 4(a), title X, Sec. 10109, June 18, 2008, 122 Stat. 1664, 2100, provided that:

"SEC. 2. FINDINGS AND PURPOSE.

"(a) Findings. - Congress finds the following:

"(1) A secure domestic food supply is a national security imperative for the United States.

"(2) A competitive specialty crop industry in the United States is necessary for the production of an abundant, affordable supply of highly nutritious fruits, vegetables, and other specialty crops, which are vital to the health and well-being of all Americans.

"(3) Increased consumption of specialty crops will provide tremendous health and economic benefits to both consumers and specialty crop growers.

"(4) Specialty crop growers believe that there are numerous areas of Federal agriculture policy that could be improved to promote increased consumption of specialty crops and increase the competitiveness of producers in the efficient production of affordable specialty crops in the United States.

"(5) As the globalization of markets continues, it is becoming increasingly difficult for United States producers to compete against heavily subsidized foreign producers in both the domestic and foreign markets.

"(6) United States specialty crop producers also continue to face serious tariff and non-tariff trade barriers in many export markets.

"(b) Purpose. - It is the purpose of this Act [see Short Title of 2004 Amendment note set out under section 3101 of this title] to make necessary changes in Federal agriculture policy to accomplish the goals of increasing fruit, vegetable, and nut consumption and improving the competitiveness of United States specialty crop producers.

"SEC. 3. DEFINITIONS.

"In this Act:

"(1) The term 'specialty crop' means fruits and vegetables, tree nuts, dried fruits, and horticulture and nursery crops (including floriculture).

"(2) The term 'State' means the several States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

"(3) The term 'State department of agriculture' means the agency, commission, or department of a State government responsible for agriculture within the State.

"TITLE I - STATE ASSISTANCE FOR SPECIALTY CROPS

"SEC. 101. SPECIALTY CROP BLOCK GRANTS.

"(a) Availability and Purpose of Grants. - Using the funds made available under subsection (j), the Secretary of Agriculture shall make grants to States for each of the fiscal years 2005 through 2012 to be used by State departments of agriculture solely to enhance the competitiveness of specialty crops.

"(b) Grants Based on Value of Production. - Subject to subsection (c), the amount of the grant for a fiscal year to a State under this section shall bear the same ratio to the total amount made

available under subsection (j) for that fiscal year as the value of specialty crop production in the State during the preceding calendar year bears to the value of specialty crop production during the preceding calendar year in all States whose application for a grant for that fiscal year is accepted by the Secretary under subsection (f).

"(c) Minimum Grant Amount. - Notwithstanding subsection (b), each State shall receive a grant under this section for each fiscal year in an amount that is at least equal to the higher of -

"(1) \$100,000; or

"(2) $\frac{1}{3}$ of 1 percent of the total amount of funding made available to carry out this section for the fiscal year.

"(d) Eligibility. - To be eligible to receive a grant under this section, a State department of agriculture shall prepare and submit, for approval by the Secretary of Agriculture, an application at such time, in such a manner, and containing such information as the Secretary shall require by regulation, including -

"(1) a State plan that meets the requirements of subsection (e);

"(2) an assurance that the State will comply with the requirements of the plan; and

"(3) an assurance that grant funds received under this section shall supplement the expenditure of State funds in support of specialty crops grown in that State, rather than replace State funds.

"(e) Plan Requirements. - The State plan shall identify the lead agency charged with the responsibility of carrying out the plan and indicate how the grant funds will be utilized to enhance the competitiveness of specialty crops.

"(f) Review of Application. - In reviewing the application of a State submitted under subsection (d), the Secretary of Agriculture shall ensure that the State plan would carry out the purpose of grant program, as specified in subsection (a). The Secretary may accept or reject applications for a grant under this section.

"(g) Effect of Noncompliance. - If the Secretary of Agriculture, after reasonable notice to a State, finds that there has been a failure by the State to comply substantially with any provision or requirement of the State plan, the Secretary may disqualify, for one or more years, the State from receipt of future grants under this section.

"(h) Audit Requirements. - For each year that a State receives a grant under this section, the State shall conduct an audit of the expenditures of grant funds by the State. Not later than 30 days after the completion of the audit, the State shall submit a copy of the audit to the Secretary of Agriculture.

"(i) Reallocation. -

"(1) In general. - The Secretary shall reallocate to other States in accordance with paragraph (2) any amounts made available for a fiscal year under this section that are not obligated or expended by a date during that fiscal year determined by the Secretary.

"(3) Use of reallocated funds. - Funds allocated to a State under this subsection shall be used by the State only to carry out projects that were previously approved in the State plan of the State.

Sec. 1624. Cooperation with Government and State agencies, private
research organizations, etc.; rules and regulations

-STATUTE-

(a) In carrying out the provisions of this chapter, the Secretary of Agriculture may cooperate with other branches of the Government, State agencies, private research organizations, purchasing and consuming organizations, boards of trade, chambers of commerce, other associations of business or trade organizations, transportation and storage agencies and organizations, or other persons or corporations engaged in the production, transportation, storing, processing, marketing, and distribution of agricultural products whether operating in one or more jurisdictions. The Secretary of Agriculture shall have authority to enter into contracts and agreements under the terms of regulations promulgated by him with States and agencies of States, private firms, institutions, and individuals for the purpose of conducting research and service work, making and compiling reports and surveys, and carrying out other functions relating thereto when in his judgment the services or functions to be performed will be carried out more effectively, more rapidly, or at less cost than if performed by the Department of Agriculture. Contracts under this section may be made for work to be performed within a period not more than four years from the date of any such contract, and advance, progress, or other payments may be made. The provisions of section 3324(a) and (b) of title 31 and section 5 of title 41 shall not be applicable to contracts or agreements made under the authority of this section. Any unexpended balances of appropriations obligated by contracts as authorized by this section may, notwithstanding the provisions of section 5 of the Act of June 20, 1874, as amended (31 U.S.C., sec. 713), remain upon the books of the Treasury for not more than five fiscal years before being carried to the surplus fund and covered into the Treasury. Any contract made pursuant to this section shall contain requirements making the result of such research and investigations available to the public by such means as the Secretary of Agriculture shall determine.

(b) The Secretary of Agriculture shall promulgate such orders,

rules, and regulations as he deems necessary to carry out the provisions of this chapter.

AMENDMENTS

1954 - Subsec. (b). Act Aug. 30, 1954, repealed second sentence requiring Secretary of Agriculture to include in his annual report to Congress a complete statement of research work being performed under contracts or cooperative agreements under this chapter.

DISTRIBUTION OF SURPLUS COMMODITIES

Pub. L. 97-253, title I, Sec. 191, Sept. 8, 1982, 96 Stat. 787, provided that:

"(a) The Congress finds that -

"(1) for an increasing number of people in the United States, these are times of great suffering and deprivation;

"(2) rising unemployment, decreasing appropriations for social services, and increasingly adverse economic conditions have all contributed to produce hunger and want on a scale not experienced since the time of the Great Depression;

"(3) the demand for every conceivable form of assistance for the hungry and needy people of the United States grows more critical daily, while the availability of goods and services to meet the needs of such people is rapidly diminishing;

"(4) soup kitchens, food banks, and other organizations which provide food to the hungry report an astronomical increase in the number of persons seeking the assistance of such organizations;

"(5) according to a study completed by the General Accounting Office [now Government Accountability Office] in 1977, one hundred and thirty-seven million tons of food, or more than 20 per centum of this country's total annual food production, is wasted or discarded in the United States each year;

"(6) at wholesale and retail food distributors, shipping terminals, and other establishments all across the country, enormous quantities of fresh fruits and vegetables and dated dairy and bakery products are discarded each day, while growing numbers of Americans go to bed hungry and undernourished each night;

"(7) in these times of budget constraints and appeals for reductions in Federal spending, the use of private resources to meet the basic food requirements of our citizens should be encouraged; and

"(8) many States and local governments have not enacted laws which limit the liability of food donors, such as so-called Good Samaritan Acts and donor liability laws, and thus have

discouraged donation of food to the needy by private persons.

"(b) It is the sense of the Congress that -

"(1) departments and agencies of the Federal Government should take such steps as may be necessary to distribute to hungry people of the United States surplus food or food which would otherwise be discarded;

"(2) State and local governments which have not yet enacted so-called Good Samaritan or donor liability laws to encourage private cooperative efforts to provide food for hungry people within their respective jurisdictions should do so as quickly as possible; and

"(3) wholesale and retail food distributors, shipping terminals, and other establishments should work more closely with religious, community, and other charitable organizations to make wholesome food which is currently being wasted or discarded by such establishments available for immediate distribution to hungry people of the United States."

CODIFICATION

Provisions that authorized the Secretary of Agriculture to "fix the compensation" of any technically qualified person, firm, or organization by contract or otherwise on a temporary basis and for a term not to exceed six months in any fiscal year to perform research, inspection, classification, technical or other special services, without regard to the "Classification Act of 1923, as amended" were omitted as obsolete. Sections 1202 and 1204 of the Classification Act of 1949, 63 Stat. 972, 973 repealed the 1923 Act and all laws or parts of laws inconsistent with the 1949 Act. While section 1106(a) of the 1949 Act provided that references in other laws to the 1923 Act should be held and considered to mean the 1949 Act, it did not have the effect of continuing the exceptions contained in this subsection because of section 1106(b) which provided that the application of the 1949 Act to any position, officer, or employee shall not be affected by section 1106(a). The Classification Act of 1949 was repealed by Pub. L. 89-554, Sec. 8(a), Sept. 6, 1966, 80 Stat. 632 (of which section 1 revised and enacted Title 5, U.S.C., into law). Section 5102 of Title 5, now contains the applicability provisions of the 1949 Act, and section 5103 of Title 5 authorizes the Office of Personnel Management to determine the applicability to specific positions and employees.

CHAPTER 38 - DISTRIBUTION AND MARKETING OF AGRICULTURAL PRODUCTS

SUBCHAPTER I - GENERAL PROVISIONS

-HEAD-

Sec. 1631. Protection for purchasers of farm products

-STATUTE-

(a) Congressional findings

Congress finds that -

(1) certain State laws permit a secured lender to enforce liens against a purchaser of farm products even if the purchaser does not know that the sale of the products violates the lender's security interest in the products, lacks any practical method for discovering the existence of the security interest, and has no reasonable means to ensure that the seller uses the sales proceeds to repay the lender;

(2) these laws subject the purchaser of farm products to double payment for the products, once at the time of purchase, and again when the seller fails to repay the lender;

(3) the exposure of purchasers of farm products to double payment inhibits free competition in the market for farm products; and

(4) this exposure constitutes a burden on and an obstruction to interstate commerce in farm products.

(b) Declaration of purpose

The purpose of this section is to remove such burden on and obstruction to interstate commerce in farm products.

(c) Definitions

For the purposes of this section -

(1) The term "buyer in the ordinary course of business" means a person who, in the ordinary course of business, buys farm products from a person engaged in farming operations who is in the business of selling farm products.

(2) The term "central filing system" means a system for filing effective financing statements or notice of such financing statements on a statewide basis and which has been certified by the Secretary of the United States Department of Agriculture; the Secretary shall certify such system if the system complies with the requirements of this section; specifically under such system -

(A) effective financing statements or notice of such financing statements are filed with the office of the Secretary of State of a State;

(B) the Secretary of State records the date and hour of the filing of such statements;

(C) the Secretary of State compiles all such statements into a master list -

(i) organized according to farm products;

(ii) arranged within each such product -

(I) in alphabetical order according to the last name of the individual debtors, or, in the case of debtors doing business other than as individuals, the first word in the name of such debtors; and

(II) in numerical order according to the social security number, or other approved unique identifier, of the individual debtors or, in the case of debtors doing business other than as individuals, the Internal Revenue Service taxpayer identification number, or other approved unique identifier, of such debtors, except that the numerical list containing social security or taxpayer identification numbers may be encrypted for security purposes if the Secretary of State provides a method by which an effective search of the encrypted numbers may be conducted to determine whether the farm product at issue is subject to 1 or more liens; and

(III) geographically by county or parish; and

(IV) by crop year;

(iii) containing the information referred to in paragraph (4)(D);

(D) the Secretary of State maintains a list of all buyers of farm products, commission merchants, and selling agents who register with the Secretary of State, on a form indicating -

(i) the name and address of each buyer, commission merchant and selling agent;

(ii) the interest of each buyer, commission merchant, and selling agent in receiving the lists described in subparagraph (E); and

(iii) the farm products in which each buyer, commission merchant, and selling agent has an interest;

(E) the Secretary of State distributes regularly as prescribed by the State to each buyer, commission merchant, and selling agent on the list described in subparagraph (D) a copy in written or printed form of those portions of the master list described in subparagraph (C) that cover the farm products in which such buyer, commission merchant, or selling agent has registered an interest except that -

(i) the distribution of the portion of the master list may be in electronic, written, or printed form; and

(ii) if social security or taxpayer identification numbers on the master list are encrypted, the Secretary of State may distribute the master list only -

(I) by compact disc or other electronic media that contains -

(aa) the recorded list of debtor names; and

(bb) an encryption program that enables the buyer, commission merchant, and selling agent to enter a social security number for matching against the recorded list of encrypted social security or taxpayer identification numbers; and

(II) on the written request of the buyer, commission

merchant, or selling agent, by paper copy of the list to the requestor;

(F) the Secretary of State furnishes to those who are not registered pursuant to (2)(D) of this section (!1) oral confirmation within 24 hours of any effective financing statement on request followed by written confirmation to any buyer of farm products buying from a debtor, or commission merchant or selling agent selling for a seller covered by such statement.

(3) The term "commission merchant" means any person engaged in the business of receiving any farm product for sale, on commission, or for or on behalf of another person.

(4) The term "effective financing statement" means a statement that -

(A) is an original or reproduced copy of the statement, or, in the case of a State which (under the applicable State law provisions of the Uniform Commercial Code) allows the electronic filing of financing statements without the signature of the debtor, is an electronically reproduced copy of the statement;

(B) other than in the case of an electronically reproduced copy of the statement, is signed, authorized, or otherwise authenticated by the debtor, and filed with the Secretary of State of a State by the secured party;

(C) contains,

(i) the name and address of the secured party;

(ii) the name and address of the person indebted to the secured party;

(iii) the social security number, or other approved unique identifier, of the debtor or, in the case of a debtor doing business other than as an individual, the Internal Revenue Service taxpayer identification number, or other approved unique identifier, of such debtor; and

(iv) a description of the farm products subject to the security interest created by the debtor, including the amount of such products where applicable, and the name of each county or parish in which the farm products are produced or located;

(D) must be amended in writing, within 3 months, similarly signed, authorized, or otherwise authenticated by the debtor and filed, to reflect material changes;

(E) remains effective for a period of 5 years from the date of filing, subject to extensions for additional periods of 5 years each by refileing or filing a continuation statement within 6 months before the expiration of the initial 5 year period;

(F) lapses on either the expiration of the effective period of the statement or the filing of a notice signed, authorized, or otherwise authenticated by the secured party that the statement has lapsed, whichever occurs first;

(G) is accompanied by the requisite filing fee set by the Secretary of State; and

(H) substantially complies with the requirements of this subparagraph even though it contains minor errors that are not seriously misleading.

(5) (!2) The term "farm product" means an agricultural commodity such as wheat, corn, soybeans, or a species of livestock such as cattle, hogs, sheep, horses, or poultry used or produced in farming operations, or a product of such crop or

livestock in its unmanufactured state (such as ginned cotton, wool-clip, maple syrup, milk, and eggs), that is in the possession of a person engaged in farming operations.

(6) The term "knows" or "knowledge" means actual knowledge.

(7) The term "security interest" means an interest in farm products that secures payment or performance of an obligation.

(8) The term "selling agent" means any person, other than a commission merchant, who is engaged in the business of negotiating the sale and purchase of any farm product on behalf of a person engaged in farming operations.

(9) The term "State" means each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands of the United States, American Samoa, the Commonwealth of the Northern Mariana Islands, or the Trust Territory of the Pacific Islands.

(10) The term "person" means any individual, partnership, corporation, trust, or any other business entity.

(11) The term "Secretary of State" means the Secretary of State or the designee of the State.

(5) (!3) The term "approved unique identifier" means a number, combination of numbers and letters, or other identifier selected by the Secretary of State using a selection system or method approved by the Secretary of Agriculture.

(d) Purchases free of security interest

Except as provided in subsection (e) of this section and notwithstanding any other provision of Federal, State, or local law, a buyer who in the ordinary course of business buys a farm product from a seller engaged in farming operations shall take free of a security interest created by the seller, even though the security interest is perfected; and the buyer knows of the existence of such interest.

(e) Purchases subject to security interest

A buyer of farm products takes subject to a security interest created by the seller if -

(1)(A) within 1 year before the sale of the farm products, the buyer has received from the secured party or the seller written notice of the security interest organized according to farm products that -

(i) is an original or reproduced copy thereof;

(ii) contains,

(I) the name and address of the secured party;

(II) the name and address of the person indebted to the secured party;

(III) the social security number, or other approved unique identifier, of the debtor or, in the case of a debtor doing business other than as an individual, the Internal Revenue Service taxpayer identification number, or other approved unique identifier, of such debtor; and

(IV) a description of the farm products subject to the security interest created by the debtor, including the amount of such products where applicable, crop year, and the name of each county or parish in which the farm products are produced or located;

(iii) must be amended in writing, within 3 months, similarly signed, authorized, or otherwise authenticated and transmitted, to reflect material changes;

(iv) will lapse on either the expiration period of the statement or the transmission of a notice signed, authorized, or otherwise authenticated by the secured party that the statement has lapsed, whichever occurs first; and

(v) contains any payment obligations imposed on the buyer by

the secured party as conditions for waiver or release of the security interest; and

(B) the buyer has failed to perform the payment obligations, or
(2) in the case of a farm product produced in a State that has established a central filing system -

(A) the buyer has failed to register with the Secretary of State of such State prior to the purchase of farm products; and

(B) the secured party has filed an effective financing statement or notice that covers the farm products being sold;
or

(3) in the case of a farm product produced in a State that has established a central filing system, the buyer -

(A) receives from the Secretary of State of such State written notice as provided in subsection (c)(2)(E) or (c)(2)(F) that specifies both the seller and the farm product being sold by such seller as being subject to an effective financing statement or notice; and

(B) does not secure a waiver or release of the security interest specified in such effective financing statement or notice from the secured party by performing any payment obligation or otherwise.

(f) Law governing "receipt"

What constitutes receipt, as used in this section, shall be determined by the law of the State in which the buyer resides.

(g) Commission merchants or selling agents: sales free of or subject to security interest; law governing "receipt"

(1) Except as provided in paragraph (2) and notwithstanding any other provision of Federal, State, or local law, a commission merchant or selling agent who sells, in the ordinary course of business, a farm product for others, shall not be subject to a security interest created by the seller in such farm product even though the security interest is perfected and even though the commission merchant or selling agent knows of the existence of such interest.

(2) A commission merchant or selling agent who sells a farm product for others shall be subject to a security interest created by the seller in such farm product if -

(A) within 1 year before the sale of such farm product the commission merchant or selling agent has received from the secured party or the seller written notice of the security interest; organized according to farm products, that -

(i) is an original or reproduced copy thereof;

(ii) contains,

(I) the name and address of the secured party;

(II) the name and address of the person indebted to the secured party;

(III) the social security number, or other approved unique identifier, of the debtor or, in the case of a debtor doing business other than as an individual, the Internal Revenue Service taxpayer identification number, or other approved unique identifier, of such debtor; and

(iii) must be amended in writing, within 3 months, similarly signed, authorized, or otherwise authenticated and transmitted, to reflect material changes;

(ii) does not secure a waiver or release of the security interest specified in such effective financing statement or notice from the secured party by performing any payment obligation or otherwise.

(3) What constitutes receipt, as used in this section, shall be determined by the law of the State in which the buyer resides.

(h) Security agreements; identity lists; notice of identity or accounting for proceeds; violations

(1) A security agreement in which a person engaged in farming operations creates a security interest in a farm product may require the person to furnish to the secured party a list of the buyers, commission merchants, and selling agents to or through whom the person engaged in farming operations may sell such farm product.

(2) If a security agreement contains a provision described in paragraph (1) and such person engaged in farming operations sells the farm product collateral to a buyer or through a commission merchant or selling agent not included on such list, the person engaged in farming operations shall be subject to paragraph (3) unless the person -

(A) has notified the secured party in writing of the identity of the buyer, commission merchant, or selling agent at least 7 days prior to such sale; or

(C) Limitation

Under subparagraph (B), the Secretary may not require packers to provide any new or additional information that -

(aa) including any sum deducted from the price per hundredweight paid to a producer that reflects the repayment of a balance owed by the producer to the packer or the accumulation of a balance to later be repaid by the packer to the producer; and

(bb) excluding any sum earlier paid to a producer that must later be repaid to the packer;

(II) information concerning the average net price, which shall be equal to the quotient (stated per hundred pounds of carcass weight of barrows and gilts) obtained by dividing -

(aa) the total amount paid for the barrows and gilts slaughtered at a packing plant during the applicable reporting period, including all premiums and discounts, and including any sum deducted from the price per hundredweight paid to a producer that reflects the repayment of a balance owed by the producer to the packer, or the accumulation of a balance to later be repaid by the packer to the producer, less all discounts; by

(aa) the total carcass weight of the barrows and gilts slaughtered at the packing plant during the applicable reporting period, by

(bb) the number of the barrows and gilts described in item (aa),

adjusted for special slaughter situations (such as skinning or foot removal), as the Secretary determines necessary to render comparable carcass weights;

(VI) the average sort loss, which shall be equal to the average discount (in dollars per hundred pounds carcass weight) for barrows and gilts slaughtered during the applicable reporting period, resulting from the fact that the barrows and gilts did not fall within the individual packer's established carcass weight or lot variation range;

(VII) the average backfat, which shall be equal to the average of the backfat thickness (in inches) measured between the third and fourth from the last ribs, 7 centimeters from the carcass split (or adjusted from the individual packer's measurement to that reference point using an adjustment made by the Secretary) of the barrows and gilts slaughtered during the applicable reporting period;

(VIII) the average lean percentage, which shall be equal to the average percentage of the carcass weight comprised of lean meat for the barrows and gilts slaughtered during the applicable reporting period, except that when a packer is required to report the average lean percentage under this subclause, the packer shall make available to the Secretary the underlying data, applicable methodology and formulae, and supporting materials used to determine the average lean percentage, which the Secretary may convert to the carcass measurements or lean percentage of the barrows and gilts of the individual packer to correlate to a common percent lean measurement; and

(a) Civil penalty

(1) In general

Any packer or other person that violates this subchapter may be assessed a civil penalty by the Secretary of not more than \$10,000 for each violation.

(2) Continuing violation

Each day during which a violation continues shall be considered to be a separate violation.

(3) Factors

In determining the amount of a civil penalty to be assessed under paragraph (1), the Secretary shall consider the gravity of the offense, the size of the business involved, and the effect of the penalty on the ability of the person that has committed the violation to continue in business.

(4) Multiple violations

In determining whether to assess a civil penalty under paragraph (1), the Secretary shall consider whether a packer or

other person subject to this subchapter has engaged in a pattern of errors, delays, or omissions in violation of this subchapter.

(b) Cease and desist

In addition to, or in lieu of, a civil penalty under subsection (a) of this section, the Secretary may issue an order to cease and desist from continuing any violation.

(c) Notice and hearing

No penalty shall be assessed, or cease and desist order issued, by the Secretary under this section unless the person against which the penalty is assessed or to which the order is issued is given notice and opportunity for a hearing before the Secretary with respect to the violation.

(d) Finality and judicial review

(1) In general

The order of the Secretary assessing a civil penalty or issuing a cease and desist order under this section shall be final and conclusive unless the affected person files an appeal of the order of the Secretary in United States district court not later than 30 days after the date of the issuance of the order.

(2) Standard of review

A finding of the Secretary under this section shall be set aside only if the finding is found to be unsupported by substantial evidence.

(e) Enforcement

(1) In general

If, after the lapse of the period allowed for appeal or after the affirmance of a penalty assessed under this section, the person against which the civil penalty is assessed fails to pay the penalty, the Secretary may refer the matter to the Attorney General who may recover the penalty by an action in United States district court.

(2) Finality

In the action, the final order of the Secretary shall not be subject to review.

(f) Injunction or restraining order

(1) In general

If the Secretary has reason to believe that any person subject to this subchapter has failed or refused to provide the Secretary information required to be reported pursuant to this subchapter, and that it would be in the public interest to enjoin the person from further failure to comply with the reporting requirements, the Secretary may notify the Attorney General of the failure.

(2) Attorney General

The Attorney General may apply to the appropriate district court of the United States for a temporary or permanent injunction or restraining order.

(3) Court

When needed to carry out this subchapter, the court shall, on a proper showing, issue a temporary injunction or restraining order without bond.

(g) Failure to obey orders

(1) In general

If a person subject to this subchapter fails to obey a cease and desist or civil penalty order issued under this subsection after the order has become final and unappealable, or after the appropriate United States district court has entered a final judgment in favor of the Secretary, the United States may apply to the appropriate district court for enforcement of the order.

(2) Enforcement

If the court determines that the order was lawfully made and duly served and that the person violated the order, the court shall enforce the order.

(3) Civil penalty

If the court finds that the person violated the cease and

desist provisions of the order, the person shall be subject to a civil penalty of not more than \$10,000 for each offense.
