

### Official Warning

This is a United States Department of Agriculture computer system, which may be accessed and used only for official Government business (or as otherwise permitted by regulation) by authorized personnel.

Unauthorized access or use of this computer system may subject violators to criminal, civil, and/or administrative action.

All information on this computer system may be intercepted, recorded, read, copied, and disclosed by and to authorized personnel for official purposes, including criminal investigations.

Access or use of this computer system by any person, whether authorized or unauthorized, constitutes consent to these terms.

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Services, Supplemental Food Programs Division, Alexandria, VA 22302. (0584-0552). Do not return the completed form to this address. OMB Expiration Date: 03/31/2012

**Data Management**

The Data Management page enables you to Add, Remove, or Transfer GS1 Company Prefixes for existing Manufacturers and manage the Subcategory Short Descriptions for Category 21, 31, and 41. The system will not allow you to select more than one radio button to perform multiple actions at the same time. You must select the "Save" button at the bottom of the page in order to save your data.

Select a function to perform:

- Add or Remove Manufacturer prefixes
- Transfer Manufacturer prefixes
- Manage Subcategory Short Descriptions
