

**MONKFISH TRIP LIMIT OVERAGE DAS ADJUSTMENT**

***Form Layout – in actuality, included in telephone  
system/Vessel Monitoring System landing report instructions***

Instruction: This form only applies to vessels fishing on a Monkfish Day-at-Sea (DAS) and is required to be sent before the vessel crosses the VMS demarcation line on the return to port. Complete all fields below.

Check this box to report that your vessel has exceeded the applicable Monkfish daily trip limit by no more than one extra limit and you are requesting that your Monkfish DAS allocation be charged to account for the extra one-day trip limit. Your vessel's Monkfish DAS charge will be increased up to the next 24 hour period plus one minute.
