Institutional Review Board Authorization

From: Toraason, Mark A. (CDC/NIOSH/DART)
Sent: Thursday, October 13, 2011 4:34 PM
To: Eggerth, Donald (CDC/NIOSH/EID); NIOSH HSRB Office (CDC)
Cc: Trout, Douglas (CDC/NIOSH/DSHEFS); Toraason, Mark A. (CDC/NIOSH/DART)
Subject: RE: -- HSRB 11-EID-03XP -- Approved 11/13/2011 MT

Don

I have reviewed your revisions to HSRB 11-EID-03XP. Your protocol is approved.

Please note that, for this protocol, the primary rationale for a waiver of documentation of informed consent is that, if required, it would constitute the only link with participants.

Kathy Masterson will provide a formal approval after she returns from vacation October 24, 2011.

Mark
