Fill in all information applicable to your reporting area.

Please read instructions on back of sheet before completing, then mail completed forms to the address provided in the instructions (this data may also be sent via E-mail see instructions for this address, also).

## INSTRUCTIONS

1. For your reporting area, enter the number of actual event occurrences for each vital statistics area, by month of occurrence.
2. When this has been completed, total the numbers for each area and enter that on the line at the bottom of that column.
3. This is a count by occurrence, not by receipt or reporting, so use the actual month span (from the first day to the last day of the calendar month, the twenty-eighth, twenty-ninth, thirtieth, or thirty-first, as appropriate).

### Marriages (or marriage licenses)

4. Include all marriages (or marriage licenses) reported to the state (or county, if applicable) office between the first and last day of each month.

### Divorces and Annulments

5. Include only decrees of absolute divorce and annulments which are reported to the state office between the first and last day of each month. Exclude decrees of separation and other limited decrees.

6. Mail your report to:
