#### **Hurricanes Katrina and Rita Housing Effects Registry (KAHRE)**

Dear \_\_\_\_\_ :

The Agency for Toxic Substances and Disease Registry is sponsoring an important health registry of people who left their homes during Hurricanes Katrina and Rita and stayed in FEMA supplied homes. Your participation will help us gather information about possible health effects related to living in FEMA homes.

The Hurricanes Katrina and Rita Housing Effects Registry (KAHRE) will enroll up to 5,000 individuals in the Gulf Coast region. If you have already completed the health survey via telephone, thank you very much for your participation. If you would like to participate, please call us toll-free at 1-xxx-xxx-xxxx to determine eligibility.

Thank you again for your help with this important registry.
