

Student Evaluation of the NIDA for Teens Website

Thank you for participating in the Student Evaluation of the NIDA for Teens Website.

Your responses will not be reported individually or identified by name. We greatly appreciate your help with this important study.

As you move through the survey, please use only the buttons on the screen at the bottom of the page. For example, do not use the "Backspace" button on your keyboard to return to a previous page, but use the button "Previous" at the bottom.

Should you encounter any problems, please contact the National Institute on Drug Abuse's survey consultant, Silber & Associates, by email at help@SAsurveys.com or toll-free at 1-888-745-2371.

Please enter your User ID & Password and press '**Begin Survey**' to continue:

OMB Control Number: 0925-0655

Expiration Date: 03/31/2015

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-XXXX). Do not return the completed form to this address.

Although the National Institute on Drug Abuse commissioned this study, the survey website belongs to Silber & Associates.

You were selected to participate in the survey because we value your input.

The survey. The survey involves general questions about the NIDA for Teens Website. It should only take about xx minutes to complete.

Your participation. Your participation in the survey is voluntary but very important and much appreciated.

The information you give us will be combined with information from other students who participate in this survey and NIDA will not cite or report it in any way that would identify you or your school.

Questions or concerns. The survey and technical support are being managed by Silber & Associates. If you have technical or other difficulties in responding to this survey, contact Silber & Associates, help@SAsurveys.com or toll-free at 1-888-745-2371.

Thank you very much for your time and cooperation.
