

## KEY INFORMANT INTERVIEW QUESTIONS WITH AFRICAN AMERICAN MEN

1. *What are some factors that influenced your decision to get tested for HIV?*
2. *What kind of experience was the testing process (e.g., where was it done, what type of test was it, who administered it, etc.)?*
3. *What kind of experience was the post-test counseling process (i.e., what was discussed, risk factors)?*
4. *Were you concerned with privacy? Why or why not?*
5. *What kind of experience was waiting for the results?*
6. *How do you think the results impact a person's lifestyle?*
7. *If given the opportunity to take an HIV test tomorrow, would you? Why or why not?*
