L2. Which system do you use when performing latent print searches of your state AFIS? (select one)

Universal Latent Workstation (ULW)	Local AFIS	Don't search state AFIS	Specify your own value: _____
---------------------------------------	------------	----------------------------	----------------------------------

L3. Which system do you use when performing latent print searches of other local jurisdictions' AFISs?(select one)

ULW	Local AFIS	Don't search other jurisdiction's AFIS	Specify your own value: _____
-----	------------	---	----------------------------------

L4. For which of the biometric modes listed below do you search your state criminal AFIS using your local criminal AFIS? (check all that apply)

Ten Print (Rolled)	Ten Print (Slap)	Latent fingerprints	Palm Prints	Latent Palm Prints	Face	Iris	None	Specify your own value: _____
-----------------------	---------------------	------------------------	----------------	--------------------------	------	------	------	----------------------------------

L5. For which of the biometric modes listed below do you search other local jurisdictions' criminal AFISs with your criminal AFIS? (check all that apply)

Ten Print (Rolled)	Ten Print (Slap)	Latent fingerprints	Palm Prints	Latent Palm Prints	Face	Iris	None	Specify your own value: _____
--------------------	------------------	---------------------	-------------	--------------------	------	------	------	-------------------------------

L6. Please indicate the number of other local jurisdictions you search for latent fingerprint or latent palm print matches with your criminal AFIS. _____ (number)

L7. Of the local jurisdictions that you search for latent fingerprints or latent palm prints do you have an MOU or SLA in place with?(select one)

All of them	Any of them	None of them	Don't Know
-------------	-------------	--------------	------------

L8. Of the local jurisdictions that you search for latent fingerprints or latent palm prints do you:(select one)

Routinely search all of them	Routinely search any of them	Don't routinely search any of them	Don't Know
------------------------------	------------------------------	------------------------------------	------------

L9. Please indicate the number of local jurisdictions that *search your* criminal AFIS for latent fingerprint or latent palm print matches with *their* criminal AFIS. _____(number)

L10. Of these local jurisdictions that search your criminal AFIS for latent finger print or palm print matches, do you have an MOU or SLA in place with:(select one)

All of them	Any of them	None of them	Don't Know
-------------	-------------	--------------	------------

L11. Of these local jurisdictions that search your criminal AFIS for latent finger print or latent palm print matches are you:(select one)

Routinely searched by all of them	Routinely searched by any of them	Not routinely searched by any of them	Don't Know
-----------------------------------	-----------------------------------	---------------------------------------	------------

L12. Do you search *all bordering* local jurisdictions for latent print matches through your organization's AFIS?*

Yes	No	Not Applicable	Don't Know
-----	----	----------------	------------

a. If you do not search all bordering jurisdictions for latent print matches, why not?

No Electronic Connection Available	Incompatible Systems	Standard Operating Procedure	No MOU or SLA
Statutory Limitations	Not likely to find a match in some bordering jurisdictions	Don't Know	Specify your own value: _____

L13. Does your jurisdiction routinely use your AFIS to directly search other non-bordering local jurisdictions for latent print matches?

Yes	No	Don't Know
-----	----	------------

L14. Do you directly search any bordering state AFISs for latent print matches through your jurisdiction's Criminal AFIS?*

Yes	No	Not Applicable	Don't Know
-----	----	----------------	------------

a. If you do not directly search any bordering state AFISs for latent print matches, what is the main reason why not? (select one)

No Electronic Connection Available	Incompatible Systems	Standard Operating Procedure	No MOU or SLA	Statutory Limitations	Don't Know	Specify your own value: _____
------------------------------------	----------------------	------------------------------	---------------	-----------------------	------------	----------------------------------

L15. Do you have to re-encode the latent print to search the State AFIS?*

Yes	No	Don't Know
-----	----	------------

a. How many per month? _____

L16. Do you have to rescan the latent print to search the State AFIS?*

Yes	No	Don't Know
-----	----	------------

a. How many per month? _____

L17. Do you regularly re-encode the latent prints just to search another AFIS besides your State AFIS?*

Yes	No	Don't Know
-----	----	------------

a. How many per month? _____

L18. Are all your locally collected fingerprint and/or palm print data reported to the State, i.e. does the state database hold all the fingerprint records that are in your local database? *

Yes	No	Don't Know
-----	----	------------

a. If no, what percentage of your fingerprint data is reported to the State?

0% – 20%	20% – 40%	40% – 60%	60% – 80%	100%	Don't know
----------	-----------	-----------	-----------	------	------------

a. If no, what percentage of your palmprint data is reported to the State?

0% – 20%	20% – 40%	40% – 60%	60% – 80%	100%	Don't know
----------	-----------	-----------	-----------	------	------------

L19. When you are able to find the match to your latent print search is it typically in:

Federal (such as IAFIS)	Bordering State AFISs	Own State AFIS	Other Local Jurisdiction's AFIS	Own Jurisdiction's AFIS	Don't Know	Specify your own value: _____
