**TITLE OF INFORMATION COLLECTION:** Argentine Exchange Alumni Survey

**PURPOSE:**

To successfully conduct an alumni outreach program, we need to know what the preferences of the alumni are. By asking simple questions to Argentine Alumni, we will be able to organize the program events and activities for the year. By using this survey we can offer alumni a program in line with what they are expecting from the Public Affairs Section of the US Embassy in Buenos Aires.

**DESCRIPTION OF RESPONDENTS:**

The respondents are Argentine Alumni of State Department Programs. They participated in past Exchange Programs in the US and now they are part of the community in this country. We work with them to promote public diplomacy and to enhance the effects of their exchange experience.
