Instructions for Payer

~~Filing Form 1097-BTC is voluntary for 2011.~~

General and specific form instructions are provided as separate products. The products you should use are the General Instructions for Certain Information Returns and the Instructions for Form 1097-BTC. A chart in the general instructions gives a quick guide to which form must be filed to report a particular payment. To order these instructions and additional forms, visit IRS.gov or call 1-800-TAX-FORM (1-800-829-3676).

Because paper forms are scanned during processing, you cannot file with the IRS Forms 1096, 1097, 1098, 1099, 3921, 3922, or 5498 that you print from the IRS website.

Due dates. Furnish Copy B of this form to the recipient ~~quarterly and separately~~ for each credit amount allowable to the recipient ~~on or before the 15th day of the second calendar month after the close of the calendar quarter in which the credit is issued.~~

File Copy A of this form with the IRS by ~~February 28, 2012~~. If you file electronically, the due date is ~~April 2, 2012~~. To file electronically, you must have software that generates a file according to the specifications in Pub. 1220, Specifications for Filing Forms 1097, 1098, 1099, 3921, 3922, 5498, 8935, and W-2G Electronically. The IRS does not provide a fill-in form option.
