PART 1. INTRODUCTION

My name is [INTERVIEWER NAME] from [INTERVIEWER ORGANIZATION]. The US Department of Energy’s State Energy Program has hired us to gather information on the results of efforts to promote the development of non-residential renewable energy projects in [STATE] that received funding from the State Energy Program and the American Recovery and Reinvestment Act. This interview is being conducted as part of an evaluation of the State Energy Program being conducted by Oak Ridge National Laboratory on behalf of the U. S. Department of Energy.

The U.S. Department of Energy (DOE) would like to inform each individual that the information requested here is being solicited under the statutory authority of Title III of the Energy Policy and Conservation Act of 1975, as amended, which authorizes DOE to administer the State Energy Program (SEP). This information is being sought as part of a national evaluation of SEP, the purpose of which is to reliably quantify Program accomplishments and help inform decisions on future operations. The sole use of the information collected will be for an analysis of national-level Program impacts. Disclosure of this information is voluntary and there will be no adverse effects associated with not providing all or any

part of the requested information.

The information from all respondents will be combined for analysis purposes and data will not be released in a way that would reveal an individual respondent. If you prefer not to answer a question, just let me know and we'll go on to the next question. If you have any questions about this study, you can contact [MAIN STUDY CONTACT?]. If you have any questions about this study, you can contact [ORNL CONTACT INFORMATION].

PART 2. IDENTIFY THE APPROPRIATE RESPONDENT(S)

Our understanding is that you are the program manager for Non-Residential Renewables programs that received SEP/ARRA funding in [YEAR]? Is this correct:

Yes – Correct person and year for SEP/ARRA funded Non-Residential renewable programs	[Continue]
Yes – Correct person, wrong year for SEP/ARRA funded Non-Residential renewable programs	[Correct year and Continue]
No – Incorrect person for SEP/ARRA funded Non-Residential renewable programs	[Ask for correct person for Non-Residential Renewables Project Development programs]
No – There were no SEP/ARRA funded Non-Residential renewable programs	[Thank you and terminate. Contact main state energy office representative to verify that there were no programs that corresponded to description in the PAGE database.]

Your participation in this survey is voluntary, and your answers are confidential. The information from all respondents will be combined for analysis purposes and data will not be released in a way that would reveal an individual respondent. If you prefer not to answer a question, just let me know and we'll go on to the next question. The length of the interview varies from person to person, but most interviews last about 75 minutes. For quality control purposes, this call will be recorded and monitored. If you have any questions about this study, you can contact [ORNL CONTACT INFORMATION].
