DEPARTMENT OF TRANSPORTATION

Office of the Secretary

[Docket No. DOT-OST-2011-0107]

Interim Notice of Funding Availability for the Department of Transportation's National Infrastructure Investments Under the Full-Year Continuing Appropriations, 2011; and Request for Comments

AGENCY: Office of the Secretary of Transportation, DOT.

ACTION: Interim notice of funding availability, request for comments.

SUMMARY: This interim notice announces the availability of funding

and requests proposals for the Department of Transportation's National Infrastructure Investments, or "TIGER Discretionary Grants." In addition, this interim notice announces selection criteria and pre-application and application requirements for these grants.

On April 15, 2011, the President signed the Full-Year Continuing Appropriations, 2011 (Div. B of the Department of Defense and Full-Year Continuing Appropriations Act, 2011 (Pub. L. 112-010, Apr. 15, 2011)) ("FY 2011 Continuing Appropriations Act"). The FY 2011 Continuing Appropriations Act appropriated \$526.944 million to be awarded by the Department of Transportation ("DOT") for National Infrastructure Investments. This appropriation is similar, but not identical to the appropriation for the Transportation Investment Generating Economic Recovery, or "TIGER Discretionary Grant", program authorized and implemented pursuant to the American Recovery and Reinvestment Act of 2009 (the "Recovery Act"), and the National Infrastructure Investments or "TIGER II Discretionary Grant" program under the Transportation, Housing and Urban Development, and Related Agencies Appropriations Act for 2010 ("FY 2010 Appropriations Act"). Because of the similarity in program structure, DOT has referred to the grants for National Infrastructure Investments under the FY 2010 Appropriations Act as "TIGER II Discretionary Grants". Given that funds have now been appropriated for these similar programs in three separate statutes, DOT is referring to the grants for National Infrastructure Investments under the FY 2011 Continuing Appropriations Act simply as "TIGER Discretionary Grants." As with the TIGER and TIGER II programs, funds for the FY 2011 TIGER program are to be awarded on a competitive basis for projects that will have a significant impact on the Nation, a metropolitan area or a region. Through this interim notice, DOT is soliciting applications for TIGER Discretionary Grants.

This interim notice requests comments on the proposed selection criteria and guidance for awarding funds. DOT will take all comments into consideration and may publish a supplemental notice revising some elements of this notice. If substantive changes to this notice are necessary, DOT will publish a supplemental Federal Register notice. In the event that this solicitation does not result in the award and obligation of all available funds, DOT may decide to publish an additional solicitation(s).

DATES: Comments must be received by July 18, 2011, at 5 p.m. EDT. Late-filed comments will be considered to the extent practicable. Pre-applications should be submitted by October 3, 2011, at 5 p.m. EDT (the "Pre-Application Deadline"). Final applications must be submitted through Grants.gov by October 31, 2011, at 5 p.m. EDT (the "Application Deadline"). The DOT pre-application system will open on or before August 23, 2011 to allow prospective applicants to submit pre-applications. Subsequently, the Grants.gov "Apply" function will open on October 5, 2011, allowing applicants to submit applications. While applicants are encouraged to submit pre-applications in advance of the Pre-Application Deadline, pre-applications will not be reviewed until after the pre-application deadline. Similarly, while applicants are encouraged to submit applications in advance of the Application Deadline, applications will not be evaluated, and awards will not be made, until after the Application Deadline.
