Email: nass-wa@nass.usda.gov

The annual survey of bean seed supplied to growers for planting in Washington and Oregon is needed to make preliminary estimates of acreage. Information requested in this survey is used to prepare estimates of selected agricultural commodities. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes in combination with similar reports from other producers. Response is **voluntary**.

Please make corrections to name, address and Zip Code, if necessary.

INSTRUCTIONS: Report all bean seed supplied to Washington and Oregon growers from your warehouse for planting the 2011 crop. (Please include an estimate of any bean seed you expect to sell for the rest of the season.)

PLEASE REPORT FOR WASHINGTON GROWERS ONLY

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0002. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

SURVEY RESULTS: To receive the complete results of this survey on the release date, go to www.nass.usda.gov/results
