The Department of Agriculture publishes estimates of special oilseed production the Crop Production Annual Summary. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept confidential and used only for statistical purposes in combination with similar reports from other producers. Response is voluntary. However, your cooperation is

very important to the accuracy of these estimates. Please Please make corrections to name, address and Zip Code, if necessary. mail your report promptly in the enclosed envelope. **INSTRUCTIONS** Report only for the operation listed above. Include acres harvested and remaining to be harvested. Production should be from all acres harvested or intended for harvest. Only report price if the crop has

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0002. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
