 Fax: 701-239-5613
 Email: nass-nd@nass.usda.gov

Please complete this form using the instructions below and return it in the enclosed envelope. Information requested in this survey is used to prepare estimates of selected agricultural commodities. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for Statistical purposes in combination with similar reports from other producers. Response is **voluntary**.

Thank you for your cooperation.

Please make corrections to name, address and Zip Code, if necessary.

INSTRUCTIONS

1. Include acreage of both processor and producers.
2. Acreage should be allocated to States in which the beets are actually grown.
3. If plantings are incomplete, please report approximate totals.
4. In addition to data for operating factories, please list factories not operating with the notation "not operating".

Factory for which acreage is intended	State in which beets are planted	Acres planted and to be planted in 2011. (If necessary, Estimate)	Acres Contracted in 2011

Reported by: _____

Date: _____

County: _____

Phone: _____

(In which farm is located)

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0002. The time required to complete this information collection is estimated to average 25 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
