

DATE: 3/30/2012

SUBJECT: Request for Nonsubstantive Change to IC 0579-0213

TO: Drew Perraut, Desk Officer

APHIS is requesting to change the expiration date of this collection from 02/28/2015 to 10/31/2014 so that this collection and the CDC collection on the same subject have the same expiration date because both agencies share forms used by the public.
