This notice amends section D. Schedule of the School District Review Program: General Guidelines for All Participants. The Program Timetable listed in section D. Schedule is revised as follows:

D. SCHEDULE

We request that the school district information you submit reflect the school districts as they exist, or will exist, on **January 1, 2014**. Please contact us immediately if you are concerned that you may not be able to meet deadlines as outlined below.

Program Timetable

- **July 2013** - National Center for Education Statistics letter is sent to Title I coordinators asking for designation of a school district mapping coordinator for each state and the District of Columbia.
- **August 2013** - Mailout of program instructions and annotation materials to designated state school district mapping coordinators begins.
- **February 28, 2014** - Deadline (*extended*) for submitting school district changes during the Annotation Phase. - **March 2014** – Delivery and review of verification materials begins.
- **April 2014** – Deadline for submitting school district changes during the Verification Phase.
- **November 2014** - Release of preliminary estimates based on the updated school district geographic framework.
