

No.	Page	Original OMB Screenshot	Proposed Changes
1	Home Page	Original Introduction text	Introduction text was updated; The intro text was shortened to ensure the Program Recognition Topics box displays higher on the page. This was a suggestion from our usability team.
2	Home Page	6 button layout in the body of the page	Would like to remove the "Registry of Recognized Organizations" button and add a clickable US Map module to the home page. Using the clickable map, users can select the exact state they would like to look at to find DPRP recognized organizations.
3	Home Page	Old button name: About the Program	New button name: About the DPRP
4	Home Page	6 buttons have a generic placeholder images on them	Would like to replace generic placeholder image with real images
5	Home Page	Right hand column contains: <ul style="list-style-type: none"> - Standard template module (text size, print, email, etc.) - Contact Us section 	Updated right hand column to include: <ul style="list-style-type: none"> - Added Pre-Diabetes Risk widget - Minor text revisions to the Contact Us section to update CDC-INFO hours of operation - Added CDC 24/7 logo
6	Apply for Recognition Page	"On this Page" box contains link for "Directions"	Remove the "Directions" link in the "On This Page" box. We determined a separate Directions section is not needed on this page.
