SAY: “Most people have never been in an interview like this one, so I’m going to describe how it works before we start. I will read you the questions exactly as they are written. Some may sound awkward but I need to read them as worded so everyone in the study is asked the same questions. Some questions will ask you to recall if you did something, when you did it, or how often you did it. For others, I’ll read or show you a list of responses to choose from. Please be as accurate as you can.

Read SAY box below.

SAY: I will first ask you some questions about where you live. Please remember that all of your answers will be kept secure to the extent permitted by law.

C1. In the past 12 months, have you been homeless at any time? By homeless, I mean you were living on the street, in a shelter, in a Single Room Occupancy hotel (SRO), or in a car.
