PAPERWORK REDUCTION ACT STATEMENT

PUBLIC REPORTING BURDEN: The information asked for on this form is requested pursuant to Section 212(a) and 212(b) and as required by Section 222 of the Immigration and Nationality Act. Section 222(i) provides that the records of the Department of State and of diplomatic and consular offices of the United States pertaining to the issuance and refusal of visas or permits to enter the United States shall be confidential and shall be used only for the formulation, administration, enforcement, or enforcement of the immigration, nationality, and other laws of the United States. Certified copies of such records may be made available to a court provided the court certifies that the information contained in such records is needed in a case pending before the court.

CONFIDENTIALITY STATEMENT

AUTHORITIES: The information asked for on this form is requested pursuant to Section 212(a) and 212(b) and as required by Section 222 of the Immigration and Nationality Act. Section 222(i) provides that the records of the Department of State and of diplomatic and consular offices of the United States pertaining to the issuance and refusal of visas or permits to enter the United States shall be confidential and shall be used only for the formulation, administration, enforcement, or enforcement of the immigration, nationality, and other laws of the United States. Certified copies of such records may be made available to a court provided the court certifies that the information contained in such records is needed in a case pending before the court.

PURPOSE: The U.S. Department of State uses the tools you provide on this form primarily to determine your classification and eligibility for a U.S. immigrant visa. Individuals who fail to submit this form or who do not provide all the requested information may be denied a U.S. immigrant visa. Although furnishing this information is voluntary, failure to provide the information may delay or prevent the processing of your case.

ROUTINE USES: If you are issued an immigrant visa and are subsequently admitted to the United States as an immigrant, the Department of Homeland Security will use the information on this form to issue you a Permanent Resident Card, and, if you so indicate, the Social Security Administration will use the information to issue a social security number. The information provided may also be released to Federal agencies for law enforcement, counterterrorism and homeland security purposes; to Congress and courts within their sphere of jurisdiction; and to other Federal agencies who may need the information to administer or enforce U.S. law.
